

# TrinityX<sup>2</sup> – Generic info and help

clustervision 

## Thank you!

Thank you for your interest in the TrinityX project. This document is a basic placeholder and small guide to get help and support for the installation of TrinityX<sup>2</sup>

As of release 14 we publish our documentation on <https://docs.clustervision.com>

For generic or open source support, visit <https://github.com/clustervision/trinityX>.

We invite customers with a valid support contract to visit <https://support.clustervision.com>.

For other commercial inquiries, please contact [sales@clustervision.com](mailto:sales@clustervision.com)
